COACH EDUCATION

COACHES FOR EUROPE (EHF C4E)

OVERVIEW

The EHF C4E is an international coaching programme designed to encourage the coach to think about the philosophy of coaching through individual technical, individual tactical and team tactics. For coaches who have already advanced their development and showing potential to become high performing within their chosen environment.

LEARNING

A comprehensive blended learning approach through a mixture of face to face seminars and online workshops. With dedicated mentors and group work between year 1 and year 2 cohorts. Participants will be mentored by globally recognised EHF trained educators. Inspiration and learning will also be provided through engagement with special guests from sport and business.
